July, 2017

Volume 14, Issue 3

Year End Patronage

Ag-Land FS will close this fiscal year on July 31, 2017. There may be some one-time costs associated with our withdrawal from the Central States Pension Fund that prevent us from paying patronage this year. In the event we do pay patronage, patrons are eligible for patronage refunds by satisfying the following requirements:

- Your Farm Bureau "M" membership must be current
- Your Ag-Land FS, Inc. statement balance must be current.

If your Farm Bureau membership is not in Logan, Peoria, or Tazewell County, please contact our Pekin office or your nearest Ag-Land location to let us know the county in which you are a member.

Grain Marketing Service

Just a reminder that Ag-Land FS is still offering a free grain marketing service to our patrons. We have hired Chuck Doubet Consulting to provide this free service. If you would like to get on Chuck's mailing list for market advice and updates, send him an email at chuckdoubet@gmail.com.
